

## Public Service Announcement

**Q** Why do  
you need  
to purchase a  
fishing license  
or boat  
registration?

**A** It helps your local  
environment!  
Funds from  
fishing license and boat  
registration purchases are  
used for the restoration  
and conservation of bodies  
of water, and the species  
that inhabit them.

**Check your state  
regulations and  
do your part at**
